## Resolution No. 24-0497

### **Item Description:**

Neg Amt A2412619 with Metropolitan Council for Anti-Displacement Community Prosperity Program, 12/01/24-12/31/30, est recv \$10 million; 2025 supp appr for Disparity Reduction Administration department

### **Resolution:**

**BE IT RESOLVED**, that the County Administrator be authorized to negotiate Agreement A2412619 with the Metropolitan Council for the Blue Line Extension Anti-Displacement Community Prosperity Program with a receivable grant amount of \$10,000,000; that following review and approval by the County Attorney's Office, the Chair of the Board be authorized to sign the agreement on behalf of the county; and that the controller be authorized to receive and disburse funds as directed; and

BE IT FURTHER RESOLVED, that the Disparity Reduction Administration department 2025 revenue and expenditure budget be increased by \$10,000,000 for grant revenues and expenditures related to the Blue Line Extension Anti-Displacement Community Prosperity Program.

### **Background:**

The Blue Line Extension Light Rail Transit Project (the "Project") is a 13-mile project to provide transit service to the cities of Minneapolis, Robbinsdale, Crystal and Brooklyn Park. Through Resolutions 20-0388R1 and 21-0080 this Board authorized contracts for community engagement work associated with the Project. In this engagement work, community members expressed concern that the increased demand for real estate likely to result from the Project would result in displacement of current residents, businesses, and cultural amenities.

To address these concerns, Hennepin County contracted with the University of Minnesota Center for Urban and Regional Affairs (CURA) to work with community to develop anti-displacement policy and strategy recommendations through a community based Anti-Displacement Work Group (ADWG). (Resolution 21-0355.) CURA prepared the Blue Line Extension Anti-Displacement Recommendations in April 2023 that outlined potential policies to achieve the recommended outcomes.

In May 2024 the Minnesota Legislature appropriated \$10 million for an Antidisplacement Community Prosperity Program ("ACPP") to serve the Project corridor. The Legislature appointed the members of the ADWG to a new ACPP Board to evaluate and approve proposed uses of these funds in the areas of affordable housing, business support, public infrastructure, and job training. The Legislature directed Hennepin County to provide administrative support for the ACPP, and the Legislature appropriated the funds to the

Metropolitan Council for a grant to Hennepin County.

This Resolution thus authorizes the grant agreement necessary for the County to receive the ACPP funds from the Metropolitan Council. The Resolution authorizes the County Administrator to negotiate Agreement A2412619 with the Metropolitan Council for the period December 1, 2024, through December 31, 2030, with a receivable grant amount of \$10 million. The agreement will contain such requirements as necessary to ensure compliance with the ACPP legislation and use of the funds for the ACPP.

This resolution also provides a \$10 million supplemental appropriation to the Disparity Reduction Administration department's 2025 budget, to receive the grant funds and provide the necessary budget authority for any grant-related expenditures authorized under Agreement A2412619.

This Resolution is consistent with Resolution 24-0383, in which the Board voted to support antidisplacement activities in the Project corridor. Resolution 24-0383 stated that "Hennepin County is committed to maximizing the community benefits of the Project and preventing displacement, to ensure that current residents along the alignment of the Project realize these benefits." It noted the Legislature's appropriation for the ACPP and stated that "Hennepin County will continue to support the Antidisplacement Community Prosperity Program Board by providing administrative, legal, and other support as needed."

**Impact/Outcomes:** This action supports the county's disparity reduction efforts by investing in people to prosper and building transportation infrastructure that reduces health and climate impacts

## Resolution No. 24-0514

### Item Description:

### Resolution:

**BE IT RESOLVED**, that the Hennepin County Administrator be authorized to negotiate Amendment 12 to Agreement PR00000689, Capital Grant Agreement for the METRO Green Line Extension Light Rail Transit Project with the Metropolitan Council and the Hennepin County Regional Railroad Authority, extending the grant activity period from January 31, 2025, to December 31, 2028; and increasing the maximum grant amount by \$90,047,888 to be contributed by Hennepin County (Capital Project 1005876), for a new maximum grant amount of \$1,168,125,592; that following review and approval by the County Attorney's Office, the Chair of the Board be authorized to sign the amendment on behalf of the County; and that the Controller be authorized to disburse funds as directed; and

**BE IT FURTHER RESOLVED**, that the 2025 Capital Budget for project 1005876 HC METRO Green Line Extension Light Rail Transit Project be increased by \$90,047,888 from \$992,892,368 to \$1,082,940,256, funded with Hennepin County transportation sales and use tax funds, and that the Controller be authorized to transfer and disburse funds as directed; and

**BE IT FURTHER RESOLVED**, that the 2025 Hennepin County Transportation Sales Tax Fund (Fund 26) revenue budget be increased by \$49,781,140, using restricted fund balance, and that an interfund revenue transfer in the amount of \$90,047,888 to the capital project fund (Fund 51) be authorized, and that the Controller be authorized to transfer and disburse funds as directed; and

**BE IT FURTHER RESOLVED**, that the Hennepin County Board approvals herein do not waive any obligations of the Metropolitan Council under any relevant agreement.

### Background:

Through Resolution 17-0207, adopted on June 13, 2017, the County approved the assumption of certain unpaid funding commitments for the METRO Green Line Extension Light Rail Transit Project (CP 1005876) ("Project"), the assumption of the 2017 Capital Grant Agreement (Counties Transit Improvement Board #01-2017-01/Met Council #171007) ("CTIB Grant Agreement") with the Metropolitan Council ("Council") for the Project, and the imposition of the 0.5% Hennepin County transportation sales and use tax and \$20 motor vehicle excise tax that are the primary sources of funds for Hennepin County contributions to the Project. Through these and other actions, Hennepin County agreed to take responsibility for the remainder of the 30% share of project funding formerly committed by the Counties Transit Improvement Board ("CTIB") and the remainder of the 10% share formerly anticipated

from the State of Minnesota. The Hennepin County Regional Railroad Authority (“HCRRA”) provided funding for the Project, as well, under separate grant agreements.

On May 31, 2018, the County adopted Resolution 18-0222, committing County funding to the Project in an amount up to \$592,953,000, in addition to the CTIB contribution. Resolution 18-HCRRA-0027, adopted on May 31, 2018, committed HCRRA funding in an amount up to \$199,548,000. On November 15, 2018, the County adopted Resolution 18-0500, committing funding of up to \$200.3 million, in addition to the funds committed in Resolution 18-0222, to cover potential cost increases or funding shortfalls. (Resolution 18-0500 was subsequently revised by Resolution 19-0220, adopted May 20, 2019.)

Also, on November 15, 2018, the County adopted Resolution 18-0499, which among other actions authorized negotiation of a new grant agreement with the Council and HCRRA, Agreement PR00000689 (“Capital Grant Agreement”), to replace the amended CTIB Grant Agreement and to be the sole funding source for all Project activities through the end of August 2019. On the same day, HCRRA adopted Resolution 18-HCRRA-0056, likewise authorizing the negotiation of the Capital Grant Agreement to replace the existing HCRRA grant agreement.

The Capital Grant Agreement was then negotiated and executed, with a not to exceed amount of \$434,901,943 in total funds from the County (up to \$347,921,554) and HCRRA (up to \$86,980,389). The funded activities included civil construction work authorized by the FTA, any pre-award authority activities requiring and receiving prior approval by the Hennepin County and HCRRA boards, and ongoing overhead expenses and other professional services related to the Project.

The Capital Grant Agreement has since been amended 11 times. Each time, HCRRA likewise approved negotiation of the same amendment on the same day as the County Board’s approval. The amendments were as follows:

- Amendment 1: extended the term through September 30, 2019. (Resolution 19-0363)
- Amendment 2: extended the term through March 31, 2020, increased the maximum grant amount to \$553,456,897, and made other contract changes. (Resolution 19-0368)
- Amendment 3: extended the term through June 30, 2020, and increased the maximum grant amount to \$602,795,681. (Resolution 20-0089R1)
- Amendment 4: extended the term through August 31, 2020, and increased the maximum grant amount to \$677,765,449. (Resolution 20-0236)
- Amendment 5: extended the term through November 30, 2020. (Resolution 20-0321)
- Amendment 6: extended the term through January 31, 2022. (Resolution 20-0456)
- Amendment 7: extended the term through June 30, 2022, and increased the maximum grant amount to \$878,080,704. (Resolution 21-0297)
- Amendment 8: extended the term through December 31, 2022. (Resolution 22-0237)
- Amendment 9: extended the term through June 30, 2023, and increased the maximum grant amount to \$978,080,704. (Resolution 22-0538)

- Amendment 10: extended the term through January 31, 2024, with no increase to the maximum grant amount. (Resolution 23-0244)
- Amendment 11: extended the term through January 31, 2025, and increased the maximum grant amount to \$1,078,080,704 (Resolution 24-0030R1)

**Current Request:** This Resolution seeks authorization to negotiate Amendment 12 to the Capital Grant Agreement, to extend the term of the grant to December 31, 2028, and to increase the maximum grant amount by \$90,047,888 for a new maximum grant amount of \$1,168,125,592. Of this maximum grant amount, \$126,553,775 was provided by HCRRA, and \$1,041,571,817 will be provided by the County. This Resolution would also increase the 2025 Capital Budget by \$90,294,640 for CP 1005876 to provide for the use of \$90,047,888 in additional county transportation sales and use tax funds pursuant to the new Amendment 12.

Through October 31, 2024, Hennepin County has paid approximately \$826 million towards its funding commitment, including \$40.2 million contributed under other agreements between the County and the Council. HCRRA has paid its full commitment of approximately \$199.5 million, including \$72.9 million contributed under other agreements between HCRRA and the Council. In addition to the funds contributed by Hennepin County and HCRRA, the Project budget also includes approximately \$1.3 billion in federal funding; \$218.0 million from CTIB, which has been fully paid to the Project; and certain other smaller funding sources.

**Impact/Outcomes:** Approval of this request will allow for construction activities for the METRO Green Line Extension.

This action supports the county's disparity reduction efforts by investing in transportation infrastructure that reduces climate impacts and gives people transportation choices and access to housing, jobs, schools, medical facilities, and other destinations of choice.

# Resolution No. 24-0537

## **Item Description:**

Auth \$9 million for emergency shelter operations with Local Affordable Housing Aid in 2025; supp 2025 budget appropriation

## **Resolution:**

**BE IT RESOLVED**, that the 2025 interfund revenue transfer from Local Affordable Housing Aid (Fund 24) to the Housing and Economic Development department (Fund 10) be reduced by \$5,700,000; and that the 2025 Housing and Economic Development department (Fund 10) interfund revenue transfer and expenditure budget be reduced by \$5,700,000; and

**BE IT FURTHER RESOLVED**, that the 2025 interfund revenue transfer from Local Affordable Housing Aid (Fund 24) to the Housing and Redevelopment Authority (Fund 37) be reduced by \$3,300,000; and

**BE IT FURTHER RESOLVED**, that an interfund revenue transfer from Local Affordable Housing Aid (Fund 24) in the amount of \$9,000,000 to the Housing Stability division of Human Services and Public Health department (Fund 20) be authorized for eligible expenditures on a cost reimbursement basis; and that the Housing Stability division of Human Services and Public Health department (Fund 20) 2025 interfund revenue transfer budget be increased by \$9,000,000 and its budgeted use of restricted fund balance be decreased by \$9,000,000, for operations of emergency shelters and costs of providing related services.

## **Background:**

This action requests the interfund revenue transfer of \$9 million in Local Affordable Housing Aid (Fund 24) revenues to the Housing Stability division of Human Services and Public Health (Fund 20) to support operations of emergency shelters and costs of providing related services in 2025 as other funding sources are pursued. The reduction in Local Affordable Housing Aid allocated to Housing and Economic Development and the Housing and Redevelopment Authority reflects previous board actions approved in committee on December 3, 2024 which authorized negotiating contracts for \$17,313,956 million in Repair + Grow awards (Board Resolution 24-0524).

Hennepin County faces a well-documented 'fiscal cliff' in relation to the shelter and homeless response system. Sustaining new and improved programs made possible by pandemic recovery funds requires upwards of \$13m per year. This includes support for operations and services at new low-barrier shelters and 24/7 operations at existing shelters.

Seeking new dedicated State funding to address this 'cliff' has been a priority at each of the last three legislative sessions. While this resulted in ~\$13 million in one-time funds to date, those are now fully expended. Efforts to seek new dedicated funding are ongoing.

Sustaining these efforts in 2025 is included in the proposed Human Services budget. Additionally, increased demand for family shelter and Hennepin County’s commitment to no child sleeping outside has increased the annual cost of family shelter operations. In 2022, Hennepin County spent ~\$12.6 million to provide shelter for all families experiencing homelessness. Hennepin County currently projects spending ~\$27.5 million to provide shelter for all families experiencing homelessness in 2024.

The 2025 Administrator Amendment No. 8 authorized the interfund revenue transfer of \$9 million Local Affordable Housing Aid (Fund 24) revenues to the Housing and Economic Development department (Fund 10) for use toward the one-time Repair + Grow program for 2025. This action reduces this interfund revenue transfer by \$5,700,000, resulting in a total 2025 budget of \$17,313,956 for the Repair + Grow initiative. The request to negotiate contracts related to the Repair + Grow award will be considered for approval through Board Resolution 24-0524 on December 12, 2024.

The 2025 Administrator Amendment No. 9R1 authorized the interfund revenue transfer of \$5.5 million of Local Affordable Housing Aid (Fund 24) revenues to the Housing and Redevelopment Authority (Fund 37) for use toward affordable rental and homeownership contracts in 2025. This action reduces this interfund revenue transfer by \$3.3 million, resulting in \$2.2 million for these contracts along with the use of Housing and Redevelopment Authority (HCHRA) fund balance. These contracts will be fully funded through a separate HCHRA 2025 budget resolution on December 12, 2024.

**Impact/Outcomes:** Hennepin County supports emergency shelter across a network of providers for up to 9,800 people who are experiencing homelessness each year. This request supports these efforts.

**Housing Disparity Domain:** Households of color are disproportionately represented among people experiencing homelessness. This request supports county programming to reduce disparities by providing emergency shelter and services to move to housing.

**Hennepin County  
Schedule VII  
Continuation of County Policy Specifying a County Contribution  
Toward Health Plan Premium for Eligible “Early” Retirees**

One of the forms of recognition, originally established by the Hennepin County Board of Commissioners in 1967 and most recently amended in 1996, has been the policy to contribute toward the health plan premium of "early" retirees meeting one of three specified requirements noted below.

There is a need, under Minnesota law, to confirm funding for the county's continued contribution to eligible retirees' health plan premiums, for at least the length of the current budgetary cycle.

Modification regarding application of eligibility requirements for Category: Disabled Employee was adopted on October 4, 2016 per Board Action Request 16-0346. This supersedes all earlier revisions and actions to the Early Retiree Health Insurance Program (ERHIP).

**CATEGORY: Early Retirees (under age 65)**

This category is also known as the Early Retiree Health Insurance Program (ERHIP).

**Eligibility**

You must be under age 65 and:

- A non-organized regular employee\*: hired or rehired on or before January 1, 2007 with no break in regular service **OR**
- An organized regular employee\*: hired or rehired on or before January 1, 2008 with no break in regular service and did not opt-out of early retiree health coverage **OR**
- An unclassified employee including elected officials hired or rehired on or before January 1, 2007 with no break in regular service

You must also meet one of the three requirements listed below based on your most recent hire or rehire date.

**Requirement 1**

You qualify if you have enough years of full-time equivalent county service at the following ages:

- 20 years of service when you are at least age 55
- 15 years of service when you are at least age 62 but less than 63
- 14 years of service when you are at least age 63 but less than 64
- 13 years of service when you are at least age 64 but less than 65

**Requirement 2**

You must qualify and apply for a full, unreduced retirement annuity (other than a deferred annuity) from an approved public retirement program such as PERA, based on at least 10 years of Hennepin County employment. Example: PERA Rule of 90.

**Requirement 3**

You must qualify and apply for a retirement annuity (other than a deferred annuity), based on at least 25 years of pension service credit, 10 years of which must have been with Hennepin County.

## Other

\*Regular employee is defined as employee in a classified position who:

- Is required to serve a probation period.
- Is entitled to the benefits, rights, privileges and obligations under the HR Rules.
- Does not have a guarantee of ongoing employment with the County (i.e., subject to dismissal, layoff, etc.).
- Contracts refer to permanent employee.

NOTE: All persons employed in a regular position by the Minneapolis Library Board who transferred to Hennepin County as a regular employee as a result of the merger between the Hennepin County and Minneapolis Public Library (MPL) systems are eligible to participate in the Early Retiree Health Insurance Program (ERHIP). However, former MPL employees transferred to Hennepin County as a result of the merger shall not receive credit for their years of service at MPL for purposes of determining eligibility for the ERHIP.

## Costs

- The county contributes toward your single health insurance coverage as though you are actively working.
- If you continue to cover dependents, you pay the full premium difference between single and dependent insurance coverage.
- Premiums are subject to change, typically at the beginning of each calendar year. You are notified of premium and benefit changes prior to their effective date.
- At the end of the month in which you turn age 65, the county's contribution toward your insurance ceases. At this point, you are ineligible for coverage.

## 2025 Hennepin Employee Health plan premiums

- Single coverage is \$32.40
- Single + Spouse coverage is \$1,490.13
- Single + Children coverage is \$896.22
- Family coverage is \$1,922.09

## Coverage

- You must have county-sponsored health coverage activated by the date you leave the county.
- While you are under age 65, you may continue participating in the county's group health coverage program with access to the same health plan and benefit levels available to active employees.
- You may add dependents during the first 18 months of your continuation coverage if there is a qualifying event. After the first 18 months you are prohibited by Minnesota state law from adding them. You may remove dependents from your plan at the beginning of any month.

## CATEGORY: DISABLED EMPLOYEES

After you terminate county employment, you may continue coverage as a former employee. Hennepin County reserves the right to modify or even eliminate this policy, and subsequent policy(ies) may differ from the one described here.

## Eligibility

- You must leave the county while you are under age 65 and meet certain age and length of service requirements.
- To qualify for this category, you must be totally and permanently disabled.
- You must also meet one of the three requirements listed below based on your most recent hire or rehire date.

**Requirement 1**

You qualify if you have enough years of full-time equivalent county service at the following ages.

- 20 years of service when you are at least age 55
- 15 years of service when you are at least age 62 but less than 63
- 14 years of service when you are at least age 63 but less than 64
- 13 years of service when you are at least age 64 but less than 65

**Requirement 2**

You qualify and apply for a full, unreduced retirement annuity (other than a deferred annuity) from an approved public retirement program such as PERA, based at least in part on your Hennepin County employment. Example: PERA disability benefits.

**Requirement 3**

You must qualify and apply for a full retirement annuity (other than a deferred annuity) based on at least 25 years of pension service credit, 10 years of which must have been with Hennepin County.

**Costs**
