Long Term Services & Supports

Promoting Choice and Independence

Seniors and persons with disabilities receive help to live in their communities as independently as possible through services offered by aging and disability services. Our professionals help people access available home and community-based services and possible funding sources so that they can remain in their home longer and prevent or delay institutional care.

To make a referral to Hennepin County's "front door".

Call the access and initial consultation phone number at **612-348-4111** and select **option 1 for English then 2 for Front Door**.

- General inquiries and consultation do not need the specific person's information.
- Referrals for in-person assessments require the following:
 - 1) Person's name, birth date, Social Security number, address, phone number and contact information.
 - 2) Income, asset, and health insurance information
 - 3) Summary information on health and functioning level

In-Person and Virtual Sessions on Consumer Directed Community Support

Consumer Directed Community Support Services (CDCS) Overview:

Are you interested in learning more about Consumer Directed Community Supports (CDCS)?

We invite you to attend an in-person three-hour training that provides a comprehensive overview of CDCS and how to get started.

CDCS is a self-directed service option that gives individuals more flexibility and control over the services and supports they receive. With CDCS, you can decide how to use your personalized CDCS budget based on your assessed needs, write your own support plan, manage how services are delivered, and act as the employer of your staff.

*Prerequisite: You should have had a MnChoices assessment or be open to a waiver and your case manager or assessor should have submitted a referral to CDCS on your behalf.

Virtual Consumer Directed Community Support (CDCS) Question and Answer Sessions:

These “drop-in” sessions are for current or future CDCS participants who have questions about Hennepin County CDCS processes or writing their CDCS plan. The focus should be on how CDCS works or how to write or update your CDCS plan. We will not be able to answer specific questions about approved or denied items.

*Prerequisite: You should have had a MnChoices assessment or be open to a waiver and your case manager or assessor should have submitted a referral to CDCS on your behalf.

Family Support Grant (FSG)

The Family Support Grant (FSG) program provides cash grants to families of children with certified disabilities. The goal is to prevent or delay out-of-home placement of children with disabilities and promote family health and social well-being by providing access to family- centered services and supports specific to the child's disability. This session will explain the basics of the FSG program and how to complete the application to ensure program compliance.

Who Should Attend? Case managers and families who want additional information to apply for their eligible child.

Eligibility Criteria:

- Person must be under age 25
- Must live in biological or adoptive home, or transitioning home from a temporary licensed residential facility if grant is awarded
 - Family's/individuals living in shelter or receiving foster care funding are not eligible
- Family income must not exceed \$134,665 (income verification is required, such as, check stubs, W-2's, tax returns, public assistance approval letters).
 - Except in cases where extreme hardship is demonstrated
 - For individuals 18 years and older, we only look at the person's income, not the family's
- Must be currently disabled through one of the following ways:
 - Social Security Administration (SSI)
 - State Medical Review Team (SMRT)
 - Children who are working with a CMH/Rule 79 case manager
 - Individuals that have a Lead Agency Rule 185 DD Case Manager

Note: Families receiving services under the Developmental Disabilities Waiver, Community Alternative Care Waiver, Community Alternative for Disabled Individuals Waiver, Brain Injury Waiver, Consumer First Services and Supports, Consumer Support Grant or Personal Care Assistance are not eligible for the Family Support Grant.

Please reach out to the FSG team to request the electronic training session by emailing hsph.ads.fsg@hennepin.us or calling 612-348-2939.
