Hennepin

Sign up for organics recycling and help stop waste!

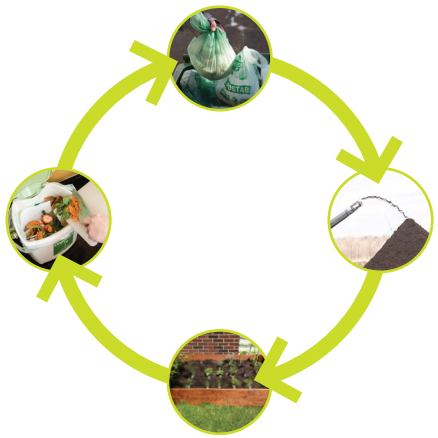

More than one-third of our trash is organic material that could be composted, so it's easy to make a difference in reducing waste and protecting the environment by signing up for organics recycling.

Put your trash to better use

Organics recycling creates a cycle that puts our trash to better use. The cycle starts when you collect food scraps, non-recyclable paper and compostable products in separate Green Bags.

You place the Green Bags in your trash cart, and they are later separated from the trash and sent to a compost site.

At the compost site, the organic materials are turned into compost, a nutrient-rich soil amendment that is used in landscaping, gardening and road construction projects.

Sign up today - there's no additional cost to participate

Organics recycling is available from Republic Services. The cost is included in your monthly recycling fee, so there's no additional cost to participate. Sign up by contacting city hall at **mschneider@ci.loretto.mn.us** or 763-479-4305.

2023 Recycling Calendar

Trash and organics recycling is picked up weekly.
Recycling is picked up every other week.

Recycling week - recycling is picked up on Tuesdays Holiday; service is delayed by one day
