

Continued growth in CEO Next

CEO Next is a cohort-learning opportunity from Hennepin County, that provides research, guidance, and peer connection for successful second-stage companies to keep growing.

Over eight months, participating founders, CEOs, and business leaders will come together to tackle challenges of growing from a successful business into a sustainable enterprise. Participants will also receive deep research into their company and their industry that they can use to identify opportunities for continued growth.

This opportunity, part of the Elevate Hennepin CEO Growth Series, equips participants with tools, tactics, and connection so they can continue to improve.
